Bernard Rochefort Ltd. is committed to ensuring that all employees, members of the public, visitors, and any other stakeholders coming within the vicinity of a project are protected from hazards which could occur. It recognizes its responsibility under the Occupational Health and Safety Act of Ontario and Regulation 213/91 to ensure that all stakeholders go home safe. Bernard Rochefort Ltd. also recognizes that it has a responsibility to abide by other safety programs when a client or site has a standard that is equal to or greater than its own standard. Where Bernard Rochefort Ltd's standard exceeds that of the client or site, Bernard Rochefort Ltd's standard shall be adhered to.

Commitments:

1. Bernard Rochefort Ltd. Is committed to protecting both its employees and property from accidental loss;
2. We will provide and maintain safe and healthy working conditions for all employees as indicated by the OHSA;
3. We will strive to eliminate any foreseeable hazards which may result in adverse or unsafe conditions; and,
4. A health and safe workplace is everyone's responsibility. Excellence can only be through teamwork and a mutual interest in occupational health and safety.

Supervisors:

All Supervisors will ensure that policies and procedures are communicated and followed and they will take every reasonable precaution to protect workers and the public.

Workers:

All workers have the right to know, participate and refuse unsafe work. If workers feel something is not safe, they must bring it to the attention of their supervisor immediately. All worker input into the process is invaluable and appreciated. Workers are asked to comply with all policies and procedures as they are communicated to them for their own safety and for the safety of those around them.

As President of this company, I am personally committed to your health and safety. I am ultimately responsible for ensuring that Bernard Rochefort Ltd. is operating in compliance with all safety regulations.
